

Dear Patients,

We have good news to share with you!

It gives us great pleasure to introduce the **Grand Marais Family Dentistry Benefits Plan**. This **in-house** dental savings plan offers affordable care for patients **without dental insurance**.

We understand that traditional insurance plans are expensive and there are multiple limitations and exclusions. Also, in recent times, we have observed a trend of fewer employers offering dental insurance, and the difficulty of the self-employed and retired patients to find and pay for dental coverage. So, we have designed an affordable plan that offers significant savings on preventative and other dental services, including cosmetic procedures for one low annual fee. Please see the enclosed chart and guidelines for further information.

As always, we greatly appreciate the opportunity to care for you! Feel free to ask any of our team members at Grand Marais Family Dentistry or online at www.grandmaraisfamilydentistry.com for more information. Contact us at 218-387-2774 to sign up today!

Yours truly,

Alyssa Hedstrom, D.D.S.
